

STATE REGIONAL BOUNDARIES COMMITTEE  
1944

## DISTRIBUTION OF SHEEP

Prepared from information supplied by a number of State Authorities

- TYPES OF SHEEP HUSBANDRY**
1. Mainly Wool Production
  2. Merino Breeding and Wool Production
  3. Sheep and Lamb Fattening
  4. Predominantly Fat Lamb Raising
  5. General—including some or all of above—predominantly dual purpose husbandry—i.e., Fattening and Wool

**REFERENCE**

- Relative intensity of distribution of Sheep
- First .. shown thus [diagonal lines]
