

ACKNOWLEDGEMENTS

The support of the Authority is gratefully acknowledged.

Generous hospitality was shown by many landholders, particularly the Stoney family.

Staff of the Forests Commission at Mansfield gave every assistance, and provided data, particularly on fire history and forest management.

Officers of the Authority assisted as follows:

Mr. R. K. Rowe helped with the field work and in discussion; Mr. F. R. Gibbons revised the text; particular sections were revised and updated by Messrs. R. K. Rowe, A. J. Pitt, R. A. Kelly, Dr. R. H. M. Van de Graaff and Dr. J. J. Jenkin.

Soil analyses were done under the direction of Mr. T. I. Leslie.

Mr. J. N. Rowan did the final technical editing; Messrs. D. J. Lloyd, J. Las Gourugues and N. A. Robins draughted and figures and maps; Mr. A. R. Beaseley undertook final editing and publication.
