

[Extract from the *Victoria Gazette*, No. 23, dated 23rd March, 1960]

*Soil Conservation and Land Utilization Act 1958.*

**LANCEFIELD AND ROMSEY WATER SUPPLY CATCHMENTS.**

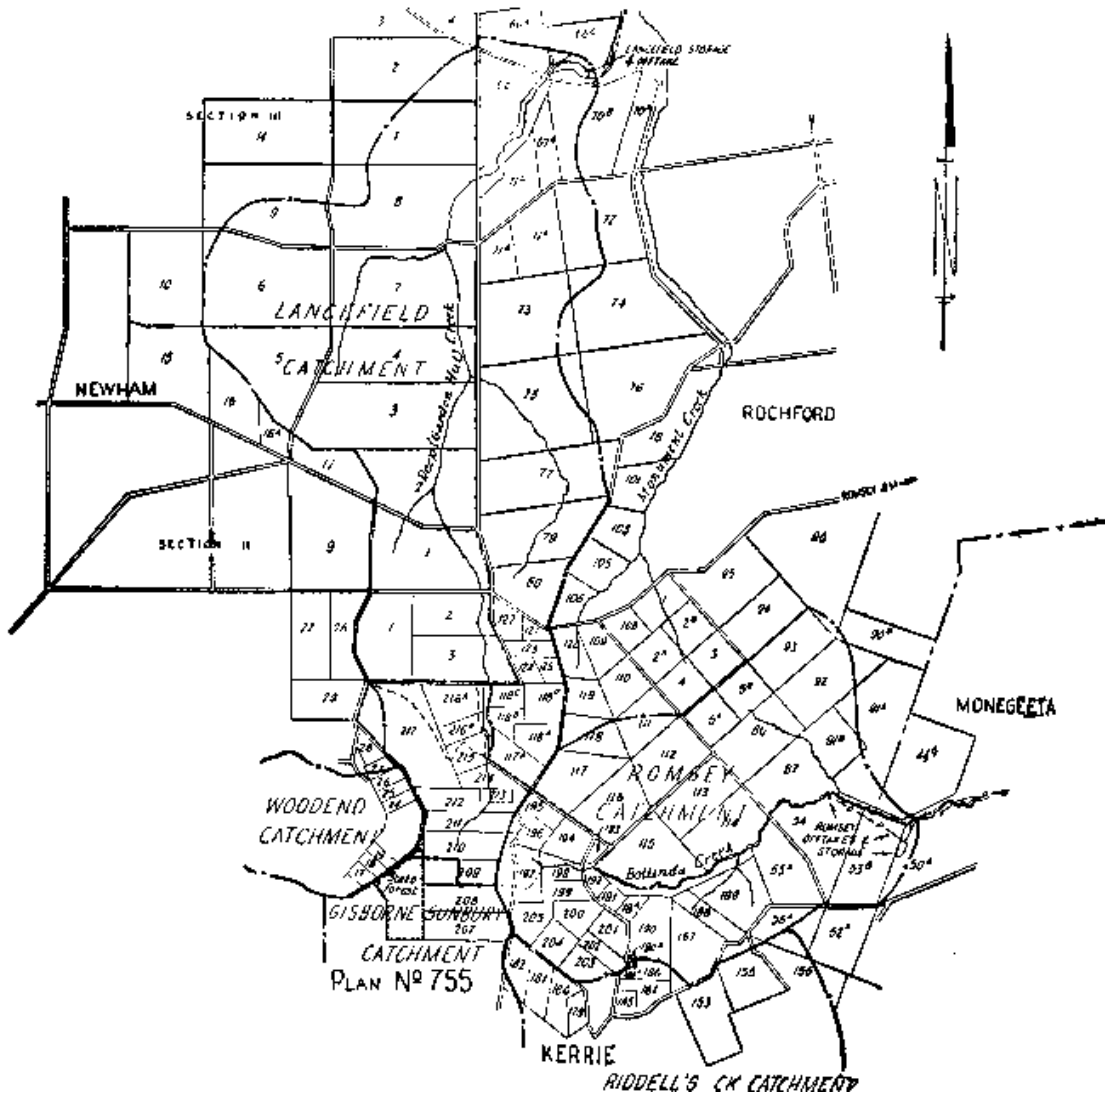

**PROCLAMATION**

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Governor of the State of Victoria in the Commonwealth of Australia by and with the advice of the Executive Council of the said State and in pursuance of the provisions contained in section 22 of the *Soil Conservation and Land Utilization Act 1958* do by this Proclamation define the water supply catchment area to be known as the Lancefield and Romsey Catchments.

Commencing at the lower pipeline offtake from Bolinda Creek in the Parish of Kerrie near the north-western corner of Crown allotment 50A; thence southerly through Crown allotment 50A, to the road on the southern boundary of that allotment; thence westerly along that road to the north-eastern corner of Crown allotment 56A; thence south-westerly across Crown allotments 56A, 156 and 155 to the most northerly angle of Crown allotment 153; thence south-westerly along the road to the north of Crown allotment 153 to a point approximately 7 chains from the westerly corner of that allotment; thence north-westerly across the southern part of Crown allotment 187, through Crown allotments 186 and 186A; thence south-westerly along the road to the east of Crown allotment 202, across Crown allotment 203 to a point on the road approximately 10 chains from the western corner of Crown allotment 203; thence north-westerly along the road between Crown allotments 203, 204, 205 and Crown allotments 180, 181, 182, 207 to the north-eastern corner of Crown allotment 207; thence north-westerly across Crown allotment 208 to its northern boundary, where the lines of watershed of the Romsey and Lancefield catchments join; thence along that boundary to a point approximately 15 chains from the south-western corner of Crown allotment 209; thence northerly across that allotment to its northern boundary; thence westerly along the northern boundary to its north-western corner and continuing in the same direction across State Forest Reserve to the road forming the western boundary of the Parish of Kerrie; thence northerly along that road to the west of Crown allotments 210, 211, 212, 217 to a point approximately 20 chains from the most westerly corner of Crown allotment 217; thence northerly to the north-western corner of that allotment, all in the Parish of Kerrie; thence in the Parish of Newham following the road adjacent to the eastern boundary of Crown allotments 28 and 9, section II thence following the eastern and northern boundaries of Crown allotment 17, section III the south-western boundary of Crown allotment 5, section III and the western boundary of Crown allotment 6, section III to a point approximately 20 chains from the north-western corner of that allotment; thence north-easterly through Crown allotments 6 and 9, section III thence easterly through Crown allotments 9 and 8, section III thence northerly and north-easterly through Crown allotments 8, 1 and 2, section III to the north-eastern corner of Crown allotment 2, section III Parish of Newham; thence in the Parish of Rochford, northerly along the road to the west of Crown allotment 66A; thence easterly through Crown allotments 66A, 66c and south-easterly in Crown allotment 66c to the southern boundary of Crown allotment 66c; thence across the Deep Creek Reserve downstream from the Lancefield storage reservoir to the central angle on the northern boundary of Crown allotment 7013; thence southerly through Crown allotments 70B and 72 to its southern boundary; thence south-westerly through Crown allotment 74 and into Crown allotment 73; thence southerly through Crown allotments 73 and 75 to a point on the eastern boundary of Crown allotment 75 approximately 18 chains from the south-eastern corner of that allotment; thence southerly through Crown allotments 76 and 77 to the south-eastern corner of Crown allotment 77; thence in south-easterly and southerly directions along the road to the east of Crown allotments 79, 80, 121, 123, 125, 118D and 118A to the south-western corner of Crown allotment 118 where the lines of watershed of the Lancefield and Romsey catchments join; thence north-easterly across Crown allotment 118 to the north-eastern corner of that allotment; thence easterly across Crown allotment 111 to the eastern corner of that allotment; thence following the road north-easterly between Crown allotments 4 and 3 and Crown allotments 5A and 5B and continuing along boundary between Crown allotments 94 and 93 to the northern corner of Crown allotment 93; thence south-easterly and southerly through Crown allotments 96, 90D, 92, 91A, 91B and again 91A to a point on the eastern boundary of Crown allotment 91A approximately 13 chains from the southernmost point of that allotment in the Parish of Rochford; thence south-easterly through Crown allotment 44G, Parish of Monegeetta to the point of commencement on the Bolinda Creek.

The area described is more particularly defined on plan No. 755 hereunder, the original of which is lodged at the Head Office of the Soil Conservation Authority, 378 Cotham Road, Kew.

Given under my Hand and the Seal of the State of Victoria aforesaid at Melbourne, this twenty-second day of March, in the year of our Lord One thousand nine hundred and sixty, and in the ninth year of the reign of Her Majesty Queen Elizabeth II.

DALLAS BROOKS

By His Excellency's Command,

HENRY E BOLTE  
Minister for Conservation

GOD SAVE THE QUEEN!
