

Soils in the Gippsland Grain Cropping Region

Legend

- Major Towns
- Major Roads
- Major and Moderate Rivers
- Public Land
- ▨ Water bodies

Texture contrast soils

dence, sodic subsoils

■ Sodosols

Upper subsoil not sodic or strongly acid

■ Chromosols

Cracking clay soils

■ Vertosols

Non-texture contrast soils

structured gradational soils

■ Red Dermosols

■ Acidic Brown Dermosols

■ Black Dermosols
(some Ferrosols)

weakly structured gradational soils

■ Kandosols

calcareous gradational soils

■ Calcarosols (heavy texture)

Sandy soils

■ Podosols

Shallow stony soils

■ Shallow, stony soils

Wet soils

■ Hydrosols
