

**MAP UNIT**

**Basgrey wet areas**

**MAP SYMBOL BW**

**GENERAL DESCRIPTION**

Low lying, wet areas on basalt with darker heavy clay soils

**LAND ASSESSMENT**

- A      Erosion Risk with Land Disturbance
  - Class 1            Some scouring could occur in drains
- B      Constraints on Construction
  - Class 4            Requires drains. High shrink-swell clay
- C      Effluent Disposal by Soil Absorption
  - Class 5      Surface ponding. Poor drainage – pollution risk
- D      Small Farm Dams
  - Class 1

**OVERALL ASSESSMENT FOR RURAL SUBDIVISION 2-10 ha (Considering A, B, C & D)**

- Class 5            Effluent Disposal
