UPPER YARRA VALLEY AND DANDENONG RANGES

LAND MANAGEMENT AND STREAM ENVIRONMENTS STUDY

CO-ORDINATION COMMITTEE

Cr John Knorr Chairman	Shire of Sherbrooke
Mr Adrian Halliday Secretary	Shire of Sherbrooke
Mr Tim Biles	Shire of Sherbrooke
Cr Jim Sawyer	Shire of Lilydale
Mr Ken Scott	Shire of Lilydale
Cr Jack Haycraft	Shire of Healesville
Mr Dick Hardisty	Shire of Healesville
Mr Neil Hewson	Shire of Healesville
Cr Stan Cooper	Shire of Upper Yarra
Mr Bill Chapman	Shire of Upper Yarra
Mr Gary Prattley	Minister for Planning
Mr Gojko Raseta	Ministry for Conservation
Mr Barry Pullen	Department of Environment, Housing and Community Development

This Study was conducted under the direction of the Co-ordination Committee and was financed by a grant from the Australian Government through the Area Improvement Programme.

TABLE OF CONTENTS

ACKNOWLEDGMENTS	4
LAND INVENTORY	5
1.1 Introduction	5
1.2 The nature of the Mapping Units	5
1.3 The Mapping Programme and its Consequences	6
1.4 Land Systems Description	6
1.5 Recognition of Land Systems	8
Topographic Factors	8
Geological Factors	8
Climatic factors	9
Soil factors	9
CAPABILITY EVALUATION	10
2.1 Introduction	10
2.2 Land Capability in the Study Area	10
2.3 Capability Assessment	10
2.4 Land Classes	11
2.5 Land Class Keys	11
Urban Land Use	11
Rurban Land Use	13
Agricultural Land Use	14
LAND SYSTEM DIAGRAMS	17
STUDY TEAM	26

LIST OF FIGURES

Representative Section of Land System Map	18
Figure 33 – Slope Effect Chart	20

LIST OF TABLES

Table I(a) – Urban Land Class Definitions	12
Table I(b) – Key for Urban Land Classes	12
Table II(a) – Rurban Land Class Definitions	13
Table IV: Land System Capability	15
Table V: Land Systems Grouped by Land Form	16
Table A: Physical Attributed Considered in the Land Class Keys	22

LIST OF APPENDICES

APPENDIX 1: Soil Erosion Consideration	19
APPENDIX 2: Physical Characteristics used in Land Component Capability Assessment	22
