

## **ACKNOWLEDGEMENTS**

Acknowledgement is gratefully given to Mr J L Neilson (Geological Survey of Victoria) and to Drs P J Moore and P J Hoadley (University of Melbourne), for their supervision and assistance throughout this study. Mr B Sawyer (Country Roads Board of Victoria) kindly provided advice on specialized aerial photography, and produced the colour aerial photographs used in the report. The following people also provided information and advice during the study: Mr A M Cooney (Geological Survey of Victoria), Dr R J McLaughlin (University of Melbourne), Mr A Muir (Country Roads Board of Victoria), Mr R D Thege (Shire of Narracan), and Mr D J Varnes (United States Geological Survey).
